

Hello all students and parents,

My name is Maddie Leluc and I am in third grade. This year during the February break I will be going to Cambodia in Asia. I will be going to an Elementary School. In Cambodia It's usually 90 degrees fahrenheit in the Winter! Anyway while I'm at the school I will be helping out, one thing that I would love to do is donate some... **Packs of Coloring Pencils, Crayons, and Card Games.** There will be a box by the Main Office. I really need your help to donate all these things, so when February break comes I will be able to bring 150 items so there is at least one item per student. This Fundraiser will start January 23 and end February 10. I can't wait to see our Orchard Spirit!!!
