

SHAPE America and the American Heart Association collaborate on the Jump Rope for Heart and Hoops for Heart programs

Did you know that a lion's roar can be heard from 5 miles away? Your child has the ability to make a difference and share their ROAR for heart health loud and clear!

Dear Parent/Guardian,

It's time for Jump Rope for Heart or Hoops for Heart, American Heart Association programs that teach students in 38,000 schools nationwide valuable lessons that will last a lifetime, such as:

**YOUR CHILD** learns about the importance of taking care of their heart and how it works. Heart disease is the leading cause of death in America BUT, we can change that – 80 percent of risk factors for heart disease are preventable.

**YOUR CHILD** learns the importance of helping others through this service project. We're challenging them to take their own heart challenge through our Zoo Crew E-Card and asking them to share that message with others. When they take the challenge and sent it to 10 people, they will earn Rory's Zoo Crew Badge.

**YOUR CHILD** feels good for making a difference in people's lives! Funds raised support the American Heart Association's research and education initiatives that save lives in our community.

**OUR SCHOOL IS COLLECTING DONATIONS ONLINE ONLY. NO CASH OR CHECKS ACCEPTED.**

Ask your company if they will match your donation!

PLEASE FOLLOW THE STEPS to the RIGHT TO START FUNDRAISING!

EVENT DATE(S): **TUESDAY, FEBRUARY 14, 2017**

As they share our heart-healthy message and raise money, they will earn members of our Zoo Crew!
